

Dear Parents and Guardians,

Welcome! I'm excited to begin a wonderful year with your child in 6th grade ELA and Social Studies here at JLPAA. I wanted to let you know that some of the supplies your child brings will be used right away, as we are starting our first units in both subjects.

Both classes will be project-based, meaning students will engage in hands-on, creative activities to explore literature, writing, and history in meaningful ways. These projects are designed to strengthen critical thinking, collaboration, and communication skills.

Thank you for your continued support, I'm looking forward to a fun and productive year in 6th grade!

Best,

Mrs. Jones
