

Does all the kids know how to distinguish what's healthy choice and what's not.

* Does kids know the importance of not sharing food or about allergies.

* Let's teach the kids why people have some allergies the reason why they don't eat it so they don't be insecure they need to learn how to respect.

* bring a nutritionist so they can come talk to the kids why some fruit or veggie have lots of sugar

Farmer market speaker.

* increased activities such exercise

* Jogfund

Sport day or marathon

ask high school kids to volunteer. in case we need help in any activities

OK * jump rope * tennis

* Wall ball *

/ go to the park or ask permission to use high school.

* how to get the menu you go to the the search. preferred meal menu.com.

* Normal menu or veggie option

Making a contest of what kids can finish the veggie
we should reward them with pizza party - Julia Lee bucks
or \$ small price.
